

Exhibit B

(One form per adult required. Children or other dependents traveling with you can be included with one adult.)

In response to increased rates of COVID-19 transmission in the United States and other countries, and to protect New York State's (NYS) successful containment of COVID-19, NYS has issued a travel advisory for anyone entering NYS from a non-bordering state or traveled internationally from a country designated under a CDC level 2 (moderate risk) or 3 (high-risk) COVID-19 travel health notice.

All travelers coming to NYS from areas beyond the border states (NJ, CT, PA, MA, VT) must fill out this paper form (or online at: <https://coronavirus.health.ny.gov/covid-19-travel-advisory#traveler-health-form>). Travelers must quarantine for 14 days from the last day in a non-border state or another country, unless the traveler meets certain criteria. See reverse for additional details.

EXEMPTIONS

All New Yorkers, as well as those visiting from out of state, are required to comply with all COVID-19 safety measures including wearing face coverings, social distancing and avoiding group gatherings and vulnerable populations in the best interest of public health.

- Travelers from border states (NJ, CT, PA, MA, VT) are not required to quarantine or test. However, non-essential travel is discouraged.
- Essential workers from other states and countries are not required to quarantine. However, NYS essential workers and long-term essential workers are required to get tested 4 days after their arrival to NYS.
- Travelers passing through another state or country for less than 24 hours, other than in the course of travel, are not required to quarantine. However, the traveler must take a COVID-19 test 4 days after their arrival in New York State.
- Travelers who had a COVID-19 test prior to coming to NYS must take a second COVID-19 test on day 4 after arrival, and are required to quarantine for a minimum of 3 days upon arrival, and are no longer required to quarantine upon receiving a negative result from the second test (the test taken in New York).
- All other travelers are required to quarantine for 14 days if they do not test prior to departure and on day 4 after arrival.

If you believe extraordinary circumstances apply and you should be exempt from any of these requirements, please contact the NYS COVID-19 Hotline at 1-888-364-3065.
